Verona Road/Wattles Road Intersection Improvements

Emmett Township, MI – Work will begin on the Verona Road/Wattles Road Intersection Improvements project in Emmett Township on Monday, October 2nd, 2017. The Calhoun County Road Department will be adding a left turn lane on westbound Verona Rd., a right turn lane on eastbound Verona Rd., and a right turn lane on Wattles Road (9 ½ Mile Rd.) in order to improve safety and air quality at this intersection. This project is being jointly funded by the Calhoun County Road Department and the Michigan Department of Transportation.

During construction, the intersection of Verona Road and Wattles Road will be closed to through traffic. Only local traffic with destinations within the project limits will be able to access the roadway during this time. All other drivers must use the approved project detour (see attached map). Please note that the Verona Gardens farmer's market will remain open throughout construction.

Drivers traveling in this area are requested to exercise extreme caution while driving in the vicinity of the work zone and additional time should be allotted for anyone traveling in this area. It is anticipated that this work will be completed by December 1, 2017, weather permitting.

If you have any questions, please contact our office at (269) 781-9841, or visit our website at www.calhouncountyroads.com or Facebook page for additional information.
