

Proposed Calhoun County Recycling/Waste Removal Bid 01/01/2012-12/31/2014

Recycling

Calhoun County Road Commission (CCRC) and the Calhoun County Department of Public Works (CCDPW) provides drop off stations for the collection of recyclable items such as cardboard, office paper, newspaper/magazines/telephone books, #1-#5 and #7 plastics, tin, aluminum and glass. Attached is a list of the items we currently accept for recycling.

CCRC is seeking transportation and recycling drop off bins for our Marshall location as well as an alternating drop off recycling bin(s) for four townships (Athens, Bedford, Pennfield and Clarence).

Each Site shall be serviced in a timely manner, according to the needs of each Site and in each season. A Service Schedule shall be developed for each Site, depending upon hours of availability and frequency of the bins filling up. Contractor (Bidder) must respond to a request for service from a Site Host within 24 hours and adjust their pick up schedule accordingly if bins repeatedly fill up prior to servicing.

Please include a list of your acceptable recycling items with bid documents. In addition, please include information on revenue sharing from recyclables collected if applicable. Currently all of our sites accept the same materials.

LOCATION #1: Calhoun County Road Commission Garage, Marshall, Michigan

1. 35 yard roll off covered container or comparable container (mixed paper, newspaper, cardboard, boxboard, newspaper, magazines and telephone books)
2. 35 yard roll off covered container or comparable container (Plastics #1-#5 and #7, tin, aluminum, clear and colored glass or commingled items)
3. 35 yard roll off covered container or comparable container for paper/cardboard overflow (mixed paper, newspaper, cardboard, boxboard, newspaper, magazines and telephone books)

Total of three bins. At the present time, the paper/cardboard container is picked up three times per week (Monday, Wednesday and Friday). The paper/cardboard overflow container is picked up once per week. The commingled items are picked up two times per week (Tuesday and Friday). This schedule is subject to change and is based on volume collected.

Marshall (13300 15 Mile Road, Marshall, Michigan 49068)

Waste Removal

CCRC is seeking refuse removal and transportation services for three of our sites. These sites are currently serviced by various sizes of front loading refuse containers (see below).

Each Site shall be serviced in a timely manner, according to the needs of each Site and in each season. A Service Schedule shall be developed for each Site, depending upon hours of availability and frequency of the bins filling up. Contractor (Bidder) must respond to a request for service from a Site Host within 24 hours and adjust their pick up schedule accordingly if bins repeatedly fill up prior to servicing.
