

Construction Project Information

Date: **UPDATED 9/26/14**

Contract ID: 13015-115772

Contract Description: Bridge removal and replacement with 33-inch, pre-stressed concrete box beams and approach work on Michigan Avenue over Rice Creek, Calhoun County.

Roadway: Michigan Ave just east of Partello Road

Nature of work: Bridge removal and replacement

Anticipated Start Date: 06/02/2014

Original Completion Date: 09/19/2014

New Completion Date: 11/15/2014

The extension of time for the project is due to the project encountering unsuitable soils during the road portion of the construction project. The soils had to be evaluated and a revised road cross section had to be prepared.

Traffic Impact: Closed at bridge. Traffic detoured onto Partello Road and 22 ½ Mile Road.

Total Awarded Construction Cost: \$757,879.10

Updated Construction Cost: \$839,817.35
